

Sharing and Building Solutions Focused Practice in Organisations

14 – 16 February 2003, Bristol, UK

plus Thursday 13 February 2003: Special pre-conference intensive: Introduction to Solutions Focused practice for coaches, consultants, facilitators

One of the world's most innovative management events is coming to the UK in February 2003, before moving to Uppsala, Sweden for 2004.

If you want to stay ahead in facilitating and building change, you'll want to find out more about Solutions Focused change work. This approach, a change philosophy with a difference, seeks to keep it simple in building on what works. Its blatant simplicity belies its profound effectiveness, proven already in many people-centred fields.

Hold on to your favourite management thinking and expand it as leading Solution Focused consultants and practitioners from all over the world share their practical experience & skills in

Strategic Planning

Coaching

Team Building

Change Management

Workshop and Meeting Facilitation

Leadership Development

Management Training

Sales Processes

Competency Management

Customer Satisfaction

Staff Appraisal

Employment Rehabilitation

Growing Your Business

Long Term Sickness Management

Comments from SOL 2002

"Established a very positive start friendly, relaxed yet energised (great learning environment)." "Delegate friendly and delegate focused."

"Consistently unpretentious, friendly, appreciative and facilitative."

"Obvious a lot of thought went into supportive structures."

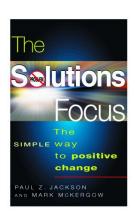

"Perfect organisation - everything worked."
